Hi Julie, Hevis passed her written and practical exams, and is ready to begin testing samples. We need to have the Commissioner or someone downtown get us a letter appointing her as an Assistant Analyst. Her effective date can be June, 14, 2011. Her last name is spelled Lleshi. Thanks CBS

Will each of the lab areas be responsible for getting authorization from the Records Board to destroy the record?

Pro-Shred will be here on the 14th to do some end-of-year shredding. If you have items to be destroyed, I have a caged area in the basement and can secure them until the destruction date. Please contact me asap to have the cartons relocated
